One Stop Resources

- **Obtain information** - about career options available locally and skills required for a wide range of occupations
- **Personal Assessment** - Get help to determine your career direction by identifying your likes, dislikes, work values, skills and abilities
- **Develop valuable skills** - such as job search strategies, resume writing and preparing for interviews
- **Comprehensive Guidance and Counseling** - We will provide you with the opportunity for a one-on-one shared effort to understand and realize your career goals
- **Adult Mentoring and Follow-up Service** - Personal advice and guidance for everyday life situations. Follow-up services (resume preparation, job search, referrals, and much more) will be provided for a minimum of one year after completing the program

Paid and Unpaid Work Experience

We can help you to be placed on a worksite to attain valuable experience that can be used to enhance your resume and/or achieve a permanent position. Work experience could include internship or job shadowing.

Occupational Skills Training

Pursue occupational skills such as plumbing, carpentry or welding. This is open to out-of-school youths who may receive their training through Yuba College, ROP classes, on the job training, vocational school training, work experience or apprenticeships. Younger youth may receive training through work experience in either the private or public sector.

Work Readiness Training

Develop the talents you need to work effectively and interact comfortably with other people in the workplace.

On the Job Training

Acquire training on the job to meet with employer standards. You can learn skills while working in an entry level job. Many participants are kept by the employer as a regular employee after their initial training.

Leadership Development Opportunities

Leadership development opportunities which may include community service and peer-centered activities encouraging responsibility and other positive social behaviors during non-school hours.
